Hello Anne and Katherine.

I have put together the first draft of my Thailand presentation but it is 65 megs. Please find a pdf attached. I am having trouble printing it out to Adobe and they cannot get it to work and I need to leave the office soon. I cannot fill out the attached tech review form.

Could you fill out and send to me the tech review form by COB 12/21/2018 and I will put it into STICS. We can meet in January to discuss IWRI, Thailand, and this presentation.

Have a great holiday.

Michelle
